

SAFER RECRUITMENT POLICY

**Stonehill Avenue
Leicester
LE4 4JG**

SAFER RECRUITMENT

In line with the Academy's statutory duties under the Safeguarding Vulnerable Groups Act 2006, the DfE Keeping Children Safe in Education guidance and the Protection of Freedoms Act 2012 to safeguard children, the Academy is required to carry out a number of checks on all staff, whether they are permanent, temporary, casual, voluntary, school-based supply or agency-based supply.

This policy does not form part of any employee's terms and conditions of employment and is not intended to have contractual effect. It is provided for guidance to all members of staff at the Academy who are required to familiarise themselves and comply with its contents. The Academy reserves the right to amend its content at any time.

Introduction

The aims of the Academy's Safeguarding in Recruitment Policy are as follows:-

- To ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position;
- To ensure safeguarding and promoting the welfare of children and young people is an integral factor at each stage of the recruitment and selection process;
- To adopt a safer recruitment process, which helps to promote a safe culture and compliments other 'safety' elements such as health and safety and Academy security;
- To attract and recruit suitable skilled and motivated staff to help raise standards and reduce the risk to children and young people;
- To ensure that those that are responsible for each stage of the recruitment process demonstrate a professional approach by dealing honestly, efficiently and fairly with all applicants;
- To ensure that no job applicant is treated unfairly on any grounds including gender, sexual orientation, marital or civil partner status, pregnancy or maternity, gender reassignment, race, colour, nationality, ethnic or national origin, religion or belief, disability or age;
- To ensure compliance with all relevant recommendations and guidance including the recommendations of the DfE in the "Keeping Children Safe in Education" guidance and the Code of Practice published by the Disclosure and Barring Service;
- To ensure that the Academy meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves, and complying with, the provisions of this policy.

The measures described in this policy will be applied to all who are employed to work at the Academy and incorporated within the scope of this policy are staff employed by contractors, supply staff, volunteers and the like who work at the Academy.

Personal Data – Single Central Record

The Academy holds a central record incorporating all employed staff (and others) that have contact with children. The record is available to the Senior Leadership Team, the Executive Board, the Administration Assistant and Human Resources team.

The record details a range of checks as set out by the DfE, and the responsibility for the maintenance of this record is with Human Resources, but this function can be delegated to the Administration Assistant, Headteacher or the Managing Director if necessary.

Please refer to our Data Protection Policy for information on how we process your personal details.

Equal Opportunities

Fairness in how we recruit and select our employees plays a significant part in creating an equal opportunities environment. Our aim is that every internal and external applicant who applies for a position within the Academy is considered against criteria, which relates only to the requirements of the job.

The Recruitment and Selection Procedure

Prior to the Recruitment Process:

i) Documents confirming Identification

In accordance with the recommendations of the DfE, the Academy carries out a number of pre-employment checks in respect of all its prospective employees to ensure effective safeguarding.

All applicants who are invited to an interview will be required to bring the following evidence of identity, address and qualifications in order for the Academy to verify their name, date of birth and current address.:-

- current driving licence (including photograph) or passport or full birth certificate; and
- two utility bills or statements (from different sources) less than three months old showing their name and home address; and
- documentation confirming their National Insurance number (P45, P60 or National Insurance card); and
- documents confirming any educational and professional qualifications referred to in their Application Form.

These identification documents will also be sufficient to enable a Disclosure and Barring Service (DBS) check to be carried out (see below).

Where an applicant claims to have changed his/her name by deed poll or any other mechanism (e.g. marriage, adoption, statutory declaration) he/she will be required to provide documentary evidence of the change. In all cases original (not photocopy) documents must be provided.

Original documentation in respect of any specific qualifications relevant to the post (e.g. academic qualifications, vocational qualification such as the QTS or in relation to a specific subject field, First Aid or Food Hygiene) that has been entered on the application will also be required.

In the case of teaching staff and many support staff roles, references will have been sought prior to interview and in other cases shortly thereafter. This applies to all internal applicants as well as external applicants.

Academy appointments are always subject to receipt of satisfactory references and satisfactory screening and vetting.

ii) Advertising

Adverts for vacancies will demonstrate the Academy's commitment to safeguarding in recruitment and vetting procedures, protecting every potential applicant from unfair practice and ultimately safeguarding children as much as possible. Promoting commitment to safeguarding and child protection can act as a deterrent to would-be abusers. Thought will be given to wording, pictures and images used to ensure that they could not be considered discriminatory.

The following information will usually be included within the text of the advert:

- Name of Academy
- Post Title
- Grade or Scale
- Salary (actual salary for part time)
- Permanent or Fixed term starting duration if fixed term.
- Brief details about what the job entails and type of skills and experience required including responsibility for safeguarding children.
- Confirmation that an Enhanced DBS Disclosure will be required.
- Contact details
- Closing date

iii) Job Descriptions & Person Specification

Job descriptions will define the purpose, duties and responsibilities of the post, as well as the qualifications and experience needed to perform the job, with particular attention to working with vulnerable groups. The Job Description and Person Specification will make reference to the Academy's commitment to the safeguarding of students.

All posts at the Academy will require an Enhanced DBS Disclosure where an individual is likely to come into direct contact with pupils.

iv) Application Pack

The importance of safeguarding and protecting children at the Academy will be promoted throughout the recruitment process in order to deter unsuitable candidates. The Academy's Application Pack can be found on the school's website with the advert. It will normally include the following: Application Form, Job Description and Person Specification, School Prospectus, the Academy's Equal Opportunities Policy, the Academy's Child Protection Policy Statement and information on how the school's recruitment process will take place.

During the Recruitment Process

The interview will assess the merits of each candidate against the job requirements and will explore their suitability to work with children. A face-to-face interview will always be carried out as part of the recruitment process.

The Interview panel will consist of a minimum of **two** interviewers, one of whom will be the safeguarding representative. Where the interview is for a teaching post, the

Headteacher, Deputy Headteacher or an Assistant Headteacher will form part of the interview panel. Where the interview is for a support staff post, the Headteacher or a Deputy Headteacher will form part of the selection panel.

English Fluency

Employees working in any role that requires them to communicate with pupils, parents, guardians, staff and / or members of the community, must be able to speak fluent English to enable the effective performance of the role and to ensure that they are able to abide by their safeguarding responsibilities.

The fluency duty (A Government initiative introduced in 2016 to ensure all those with public facing role speak English at a certain level) does not create a higher standard than already required for Teachers at the Academy who are already annually appraised against the Teachers Standards.

Conditional Offer of Employment

Any offer of employment with the Academy will be conditional on the satisfactory completion of the following: -

- The receipt of at least two satisfactory references;
- Satisfactory Enhanced DBS Disclosure and where the appointee has lived outside the United Kingdom, a certificate of good conduct (or equivalent) if applicable;
- Receipt of a barred list check if you are to start work before your DBS certificate is available. (A requirement of the Keeping Children Safe in Education (KCSiE) document
- Confirmation of the candidates medical fitness
- Verification of qualifications by the individual by providing original certificates;
- Verification of professional status where required;
- Verification that the candidate has not been prohibited from teaching or carrying out teaching work by the Teaching Regulation Agency where relevant;
- Verification that the candidate has not been prohibited from carrying out management work, where relevant;
- Verification of the candidates identity;
- Verification of the candidate's right to work in the UK.
- Verification of a Section 128 Direction where applicable

A record will be kept to show that the above checks have been carried out for all employees.

The details of checks will be reported to the police and/or the Disclosure and Barring Service (DBS) if:-

- The DBS disclosure shows that an applicant has been disqualified from working with children;
- An applicant has provided false information in, or in support of, his or her application; or
- There are serious concerns about an applicant's suitability to work with children gained from other legitimate information sources (e.g. references).

Pre-employment Checks

References

References will normally be taken up on candidates who have received an offer of employment.

All offers of employment will be subject to the receipt of a minimum of two satisfactory references, one of which must be from the applicant's current or most recent employer.

If the current/most recent employment does/did not involve work with children

If this is the case then the second referee should be from the employer with whom the applicant most recently worked with children.

Neither referee should be a relative or someone known to the applicant solely as a friend.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children. If the referee is a current or previous employer, they will also be asked to confirm the following:-

- the applicant's dates of employment, salary, job title reason for leaving, performance, sickness and disciplinary record;
- whether the applicant has ever been the subject of disciplinary procedures involving issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired);
- whether any allegations or concerns have been raised about the applicant that relate to the safety and welfare of children or young people or behaviour towards children or young people;

The Academy will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials;

The Academy will compare all references with any information given on the application form. Any discrepancies or inconsistencies in the information will be taken up with the applicant before any appointment is confirmed.

In the case that an individual does not have any previous employers to provide a reference due them starting their first role, or substantial break in employment; the School will obtain a character reference. This should be noted on the School's SCR/files along with the steps that were undertaken to attempt to obtain an employment reference/why such reference was not available. Should anyone ever review the files, this will demonstrate why you have a character reference on their files, rather than an employment reference.

The main question to ask for a character reference is to ascertain whether the individual is suitable to work with children, in accordance with the Keeping Children Safe in Education guidance. It would also be advisable that the personal reference is requested from someone other than a relative, and requests for personal reference should be considered on a case-by-case basis where it has not been possible to obtain two employment references.

Criminal Record Check

Due to the nature of the work, the Academy applies for criminal record certificates from the Disclosure and Barring Service ("DBS") in respect of all prospective staff members and volunteers. There are two types of check that may be requested from the DBS depending on the nature of the position:

- **Standard Disclosure** - For positions that involve regular contact with those aged under 18 years or people of all ages who may be vulnerable for other reasons and for occupations that involve positions of trust.
- **Enhanced Disclosure** - For posts involving greater contact with children or vulnerable adults, including regularly caring for, training, teaching, supervising or being in sole charge of such people.

A Standard Disclosure will contain details of all convictions, cautions, reprimands or warnings (except those which are "protected" as defined in the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2013) held on the Police National Computer. If the individual is applying for a position working with children or young adults, the Standard Disclosure will also reveal whether he/she is barred from working with children or vulnerable adults by virtue of his/her inclusion on the lists of those considered unsuitable to work with children or vulnerable adults maintained by the DfE and the Department of Health.

An Enhanced Disclosure will contain the same details as a Standard Disclosure. It may also contain non-conviction information from local police records which a chief police officer thinks may be relevant in connection with the matter in question.

Applicants with recent periods of overseas residence and those with little or no previous UK residence may also be asked to apply for the equivalent of a Disclosure, if one is available in the relevant jurisdiction(s).

Should DBS clearance be delayed and employment commence before it is received, the Academy must undertake a Risk Assessment on the prospective member of staff concerned and make arrangements as appropriate for the member of staff to be paired with or supervised by another member staff who has received DBS clearance.

DBS Update Service

Individuals can join the DBS Update Service at the point an application for a new DBS check is made, enabling future status checks to be carried out to confirm that no new information has been added to the certificate since its issue. This allows for portability of a certificate across employers. Before using the Update Service, schools or colleges must: obtain consent from the applicant to do so; confirm the certificate matches the individual's identity; and examine the original certificate to ensure that it is for the appropriate workforce and level of check, e.g. enhanced certificate/enhanced including barred list information.

The school or can subsequently carry out a free online check. This would identify whether there has been any change to the information recorded, since the initial certificate was issued and advise whether the individual should apply for a new certificate. Individuals will be able to see a full list of those organisations that have carried out a status check on their account. Further information about the update service, including when updated information can be used, can be found at GOV.UK. There is an annual fee for applicants using the update service.

If you already have a standard or enhanced DBS certificate, you will need your certificate number. You must register for the Update Service within 30 days of the certificate being issued.

Volunteers, Agencies and Agency Staff

The Academy expects supply/temporary worker agencies/contractors that are used by the Academy to register with the Enhanced DBS Disclosure on their own account and to follow this policy or their own comparable policy. **Proof of registration will be required before the Academy will commission services from any such organisation.**

The agency must provide evidence of the checks carried out on their central record.

The agency must also ensure that the supply staff member is aware that they have to bring in their DBS Certificate, proof of qualifications (e.g. QTS Certificate) and identification documents (proving their name, date of birth and address) on the first day of their supply work for the Academy.

The Academy reserves the right to terminate the contract with the agency and send home an agency staff member without notice should these terms of safe recruitment practice be breached by the agency or the member of agency staff. In this instance the Academy will not be liable for any charges connected to the booking.

All Volunteers who have direct contact with children on a regular basis will be required to have a DBS check. The Headteacher or a member of the SMT will apply a risk assessment to assess the need for an enhanced DBS check on an individual basis.

Individuals who have lived or worked outside the UK

Individuals who have lived or worked outside the UK must undergo the same checks as all other staff in schools or colleges. In addition, schools and colleges must make any further checks they think appropriate so that any relevant events that occurred outside the UK can be considered. The Home Office guidance on criminal records checks for overseas applicants can be found on GOV.UK. These further checks should include a check for information about any teacher sanction or restriction that an EEA professional regulating authority has imposed, using the TRA Teacher Services' system.

See paragraph 134 for further information on using this service. Although restrictions imposed by another EEA regulating authority do not prevent a person from taking up teaching positions in England, schools and colleges should consider the circumstances that led to the restriction or sanction being imposed when considering a candidate's suitability for employment.

Some overseas qualified teachers can apply to the Teaching Regulation Agency (TRA) for the award of qualified teacher status (QTS) in England. More information about this is available on the gov.co.uk website under 'Teacher Qualified Status'.

Rehabilitation of Offenders Disclosure

The Academy will not unfairly discriminate against any applicant for employment on the basis of conviction or other details revealed. The Academy makes appointment decisions on the basis of merit and ability. If an applicant has a criminal record this will not automatically debar him/her from employment within the Academy. Instead, each case will be decided on its merits in accordance with the objective assessment criteria.

In view of the fact that all positions within the Academy will amount to "regulated positions", all applicants for employment must declare all previous convictions, cautions, reprimands or warnings (except those which are "protected" as defined in the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2013). A failure to disclose a previous conviction, caution, reprimand or warning may lead to an application being rejected or, if the failure is discovered after employment has started, may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

Under the relevant legislation, it is unlawful for the Academy to employ anyone who is included on the lists, maintained by the DfE and the Department of Health, of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the Academy to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence.

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the Academy, if:

- the Academy receives an application from a disqualified person;
- is provided with false information in, or in support of an applicant's application; or
- the Academy has serious concerns about an applicant's suitability to work with children,

it will report the matter to the Police, DBS and/or the DfE.

Assessment Criteria for Applicants with a Criminal Record

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the Academy will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters; and
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the Academy's normal policy to consider it high risk to employ anyone who has been convicted at any time of any the following offences:-

- against adults: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence;
- against children or adults: serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the Academy's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the Academy's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving within the last 10 years.

Assessment Procedure Regarding Conviction and Criminal Record Disclosures

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the Academy will carry out a risk assessment by reference to the criteria set out above. The assessment form must be signed by the Headteacher of the Academy before a position is offered.

If an applicant wishes to dispute any information contained in a Disclosure, he/she can do so by contacting the DBS directly. In cases where the applicant would otherwise be offered a position were it not for the disputed information, the Academy will, where practicable, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the Disclosure information.

Retention and Security of Disclosure Information

The Academy's policy is to observe the guidance issued or supported by the DBS on the use of Disclosure information.

In particular, the Academy will:-

- store Disclosure information and other confidential documents issued by the DBS in locked, non-portable storage containers, access to which will be restricted to members of the Academy's senior leadership team and the Headteacher's Administration Assistant;
- not retain Disclosure information or any associated correspondence for longer than is necessary. In most cases, the Academy will not retain such information for longer than 6 months although the Academy will keep a record of the date of a Disclosure, the name of the subject, the type of Disclosure, the position in question, the unique number issued by the DBS and the recruitment decision taken;
- ensure that any Disclosure information is destroyed by suitably secure means such as shredding; and
- prohibit the photocopying or scanning of any Disclosure information.

The Academy complies with the provisions of the DBS Code of Practice, a copy of which is available on request.

Retention of Employee Records

If an applicant is appointed, the Academy will retain any relevant information provided on their application form (together with any attachments) on their personnel file. The file will be live and updated as required. The contents will remain in storage for up to 6 years following resignation, and 15 years following ill health retirement or dismissal and indefinitely if dismissed following a disciplinary investigation.

If the application is unsuccessful, all documentation relating to the application will normally be confidentially destroyed after 6 months, unless the applicant specifically requests the Academy to keep their details on file.

Any queries relating to the policy above should be directed to gemma.gosden@alpschools.org in Human Resources.
